

## Spa Treatments For the “Foodie” In You

---

How does a pedicure in a homemade beer bath sound? Or an invigorating full-body exfoliation infused with the finest ingredients including coffee and cocoa beans? Ingredients such as these are known to comfort and entice taste buds, so it should be no wonder why these mouthwatering ingredients are used to soothe and rejuvenate the skin as well! We've compiled a list of gourmet spa treatments that are made with some of the most tasteful ingredients, making them practically good enough to eat!

...

### **Grand Velas Riviera Maya Resort – Mexico**

Coffee and chocolate: two amazingly addicting ingredients that we all love to hate. But when you incorporate them in a lavish spa treatment, they're practically impossible to resist! At Spa Grand Velas in the Grand Velas Riviera Maya Resort, guests can indulge in a delightful Coffee & Cocoa Experience. The treatment includes a coffee exfoliation followed by a relaxing circulatory massage with chocolate oil, allowing your skin to be totally revitalized!
